I wish to apply for REPs registration and agree (please read carefully):

- To follow REPs Code of Ethical Practice (a copy can be downloaded at www.repsuae.com) and to be bound by any REPs complaints process.
- That all information provided on this form is accurate and true.
- That REPs has permission to contact any third party to verify any details of my registration application. To also allow to pass on any contact details to third parties that provide services, and for them to contact me.
- To undertake any audits or reviews REPs may undertake to verify my level of registration and/or competencies.
- To allow REPs to disclose to third parties my registration status, and any reasons for non-registration.
- To undertake any identified training or assessment at my own cost, which REPs recommends as needed to gain entry on to REPs register.
- To make payment of the registration fee to REPs, payment is for application, not acceptance. Refunds are not given for unsuccessful registrations.
- That all information provided on this form is accurate and true.
- That REPs has permission to contact any third party to verify any details of my registration application. To also allow to pass on any contact details to third parties that provide services, and for them to contact me.
- To undertake sufficient ongoing education (Continuing Professional Development). 20 CPD points over 2 years.
- To maintain a current email address at all times, and receive all email communications from REPs.
- All payments for registration are for 12 months from the date of certification, and refunds are not given for change of mind, unsuccessful registration, or failure to meet registration standards.
- This agreement is between the applicant as detailed in section 1, and the UAE Register of Exercise Professionals limited.

By signing here I agree to the terms and conditions above.

SECTION 10: CODE OF ETHICS

REPs UAE seeks an ethical advancement of the sport and fitness industry. It is true to the mission of REPs UAE to ensure that registered exercise professionals maintain ethical standards when practicing their profession. The REPs UAE Code of Ethics enables further protection to individuals seeking a healthy and balanced lifestyle. It is expected that all exercise professionals maintain a high degree of professionalism and ethical behavior. All REPs UAE registered exercise professionals agree to abide by this Code of Ethics.

The exercise professional will:

**PROFESSIONAL STANDARDS**

- Maintain their level of qualification and undergo continuing professional development activities
- Promote and maintain practice based on current knowledge and research
- Act within the boundaries of their qualification and registration level
- On requests detail their qualifications, experience, and registration details to participants
- Recognize when it is important to refer a participant to another professional
- Project an image of professionalism and good health
- Understand legal responsibilities and accountability as an exercise professional

**RELATIONSHIPS**

- Act with integrity as an exercise professional
- Promote the welfare and best interests of participants
- Ensure clarity, honesty and accuracy in all communications with participants and others
- Avoid inappropriate behavior in relation with participants while working as an exercise professional

**RESECT AND TRANSPARENCY**

- Respect individual difference and diversity
- Treat everyone equitably and sensitively within the context of their activity and ability – regardless of age, disability, gender and ethnic background
- Challenge any form of discrimination against a participant
- Keep clear records of dealings with participants
- Respect and preserve confidential information relating to participants in terms of personal, social, health, and fitness information
- Only disclose information to other professionals that is necessary and with permission of the participant
- Inform participants transparently of any financial costs related to activity
- Ensure relationships between registered professionals and their clients should be based on documented, contractual arrangements, which are clear, transparent and unambiguous. These contracts serve as protection to clients and REPs UAE professionals in case of dispute

The exercise professional will:

- Maintain their level of qualification and undergo continuing professional development activities
- Promote and maintain practice based on current knowledge and research
- Act within the boundaries of their qualification and registration level
- On requests detail their qualifications, experience, and registration details to participants

- Inform participants transparently of any financial costs related to activity
- Ensure relationships between registered professionals and their clients should be based on documented, contractual arrangements, which are clear, transparent and unambiguous. These contracts serve as protection to clients and REPs UAE professionals in case of dispute
SAFETY

- Maintain the safety of participants
- Not advocate of condone use performance enhancing substances
- Identify and respect the physical limits of ability of participant
- Show a duty of care and deal with accidents and emergencies appropriately
- Ensure participants have prepared adequately for activity

GENERAL

- Not do anything that bring themselves, another fitness professional, a fitness centre, REPs UAE, or the fitness industry in to dispute
- Ensure advertising of services is truthful, inoffensive and does not make claims that can not be supported.

Any individual who believes a registered exercise professional is in breach of this Code can make a complaint to REPs UAE, cases may be referred to a REPs UAE disciplinary committee. In the event that REPs YAE shall find a registered professional in breach of the Code of Ethics, disciplinary action may be taken, sanctions may include suspension or termination of REPs UAE membership, and a reprimand or formal warning.
